Keynote Speaker:

Karen Smith, MS, RD, CSO

Karen Smith, MS, RD, CSO strives to provide top-notch, evidence-based care to those affected by cancer, drawing on over 20 years of experience in nutrition and dietetics, specializing in oncology. She has worked extensively with both adult and pediatric oncology patients, witnessing the power of collaborative teams in advancing oncology services. Outside of work, she enjoys exploring parks with her children and staying active through triathlon training.
