

**April 7th
6 – 7 pm**

CANCER: Not a Death Sentence, a Shift in Perspective!

by Hamid Sedique, MBA

Join us this April to hear from Hamid Sedique, a dynamic healthcare leader and stage III colon cancer survivor. As Executive Director at Texas Oncology, North Texas region, Hamid champions innovation in patient care. His personal experience fuels his passion, making him a powerful advocate and a beacon of hope for all those touched by cancer. We're privileged to learn from his unique perspective!

WHEN WE MEET

**1st Working Monday Every Month
6:00-7:00 pm**

Location: Texas Oncology - Paris 3550 NE
Loop 286, Paris, TX 75460

Our hybrid Cancer Support Group provides
people impacted by cancer:

- A safe space to connect with others
- Experienced Facilitators
- Guest Speakers
